

TERRORISM HAS NO FACE

Terrorism has no religion, race,
nationality & gender.

You can help prevent terrorism and
save lives by reporting concerns you
witness or see online.

Trust your instincts and ACT.

Any piece of information could be
important. Together we can defeat
terrorism.

CAN SOMEONE BECOME A TERRORIST ONLINE?

I always wanted to do something big, be different...

That's why it's us against the world

Let's do it...

The online world is one of the biggest factors in being groomed into extremism and terrorism.

You can help prevent terrorism and save lives by reporting concerns you witness or see online.
