VOCON Traffic Management

This Drawing has been produced for a specific client & Project identified below and is not intended for use by any other person or for any other purpose.
© VOCON Traffic Management

NOTES

- All signs as per Chapter 8. Distances between cones to be 9m maximum unless otherwise noted.
- Distances between signs NOT to Scale for purpose of clarity.
- All sign placement subject to available safe working space.
- The purpose of the Traffic Management Plan is for it to be used only as a guide and all traffic management equipment should be put out according to the 'safety at Street Works and Road Works - Code of Practice', i.e. Red Book & the 'Traffic Signs Manual Chapter 8', i.e. Yellow Book
- Where bus stops are to be suspended, due to the nature of the works, the principal contractor needs to agree with the public transport provider if a temporary bus stop is required and its location.

Key

	Sign Position and aspect of Vision
