

## SANDWELL METROPOLITAN BOROUGH COUNCIL

**The Borough Council of Sandwell (Dudley Port, Tipton) (Temporary Footway and Cycle Lane Closures) Order 2024** intends to temporarily prohibit pedestrians from proceeding along Dudley Port from the junction of Station Drive (south-west side) for 50 metres in a south-westerly direction, and Dudley Port from the gable end of property No.9 for 50 metres in a south-westerly direction and vice-versa for both closures.

The closures will be in operation consecutively within the dates advised.

The order also intends to temporarily prohibit cyclists from proceeding along Dudley Port via the cycle lane in a north-easterly direction from a distance of 50 metres in advance of the junction at Station Drive (south-west side) and Dudley Port via the cycle lane in a south-westerly direction from the gable end of property No.9 for 50 metres.

The closures will be in operation consecutively within the dates advised.

Pedestrian and cycle diversion routes will be signed via the two controlled pedestrian crossings located at the junctions of St Pauls Drive and outside No.294 Dudley Port.

The maximum duration is 18 months but the work is expected to be completed by 06/12/2024 effective from 11/11/2024 (24hr).

Purpose - to facilitate access for brickwork repairs and removal of vegetation by Network Rail Limited.
