Dear Sir/Madam,
Birch Road - Residents Parking Scheme.

Following up on the consultation that has been completed by Sandwell MBC between the dates of **18th September 2024** to **09th October 2024** I am writing to inform you of the outcome based on the responses received.

Out of 47 letters that were delivered to the area, Sandwell received only 25 back in time (53.2% response rate) and of these 25 received on 8 voted in favour of the scheme (32% in Agreement).

Due to the information shown above Sandwell MBC have deemed this to not meet the criteria of showing a clear majority in favour of the resident permit scheme and so will **NOT** be progressing this request any further.

Yours faithfully

Susan Morris
