

# **STATEMENT OF REASONS**

## **Off Street Parking Places Order Sandwell Council House, Church Street Car Park, Oldbury**

Sandwell MBC proposes to make an Off-Street Parking Places Order to regulate parking controls on the car park located at Sandwell Council House, Church Street, Oldbury and include:

1. Authorised users only.
2. Introduce parking charges.
3. Disabled persons badge holders only spaces
4. Electric vehicle recharging spaces for use when actively recharging and connected to the recharging post.
5. Loading and unloading goods in connection with Council business.
6. Motorcycle only parking spaces.
7. Chief Executive Officer parking space.

Parking charges shall apply Monday to Saturday 8am – 6pm and be set at the same rate as other Council car parks outside West Bromwich town centre.

The measures will ensure control of the parking place, allowing Civil Enforcement Officers to undertake enforcement duties and improve access to parking spaces for those authorised to use the parking place.
