

**SANDWELL METROPOLITAN BOROUGH COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 - Section 14 2**

**Temporary 30mph speed restriction –
Black Country New Road, Wednesbury**

The Borough Council of Sandwell hereby gives Notice that on 19th January 2025 no person shall cause any vehicle to proceed at a speed faster than 30mph along Black Country New Road, Wednesbury between Steel Roundabout and Parkway Roundabout.

The purpose and reason for the issue of this Notice is to facilitate the introduction of a temporary 30mph speed restriction, required following the flooding of steel roundabout pedestrian underpass and subsequent damage to a pump as a support measure to a temporary pelican crossing.

This Notice will remain effective and in force from the 19th January 2025 and for a period not exceeding 21 days. It is anticipated that the work to repair the pump (necessitating the speed restriction) will take longer than 21 days to complete and will be followed up by a Temporary Traffic Regulation Order.

Any queries about the works taking place should be made to Simon Chadwick of Sandwell MBC – Simon_chadwick@sandwell.gov.uk

Dated this 13th January 2025.
