DUDLEY PORT SUPPLEMENTARY PLANNING DOCUMENT

Notice is hereby given that Sandwell Metropolitan Borough Council adopted its Dudley Port Supplementary Planning Document on 13 December 2017 in accordance with the above regulations. The Dudley Port Supplementary Planning Document was approved by the Council on 13 December 2017 and came into effect from 13 December 2017.

The Dudley Port Supplementary Planning Document has been prepared to highlight how the area stretching from Oldbury Town Centre to Dudley Port can adopt Garden City Principles to create an environment which will improve the quality of life for those living, working or visiting the area.

This includes improving accessibility to housing and employment, nature and green spaces through more intense use of the canal network and the public transport provision, especially with the potential for Dudley Port Railway Station becoming an Interchange for rail, bus and Midland Metro.

Copies of this Adoption Statement, the Consultation Statement and the Dudley Port Supplementary Planning Document are available online at www.sandwell.gov.uk and are available for public inspection during normal office hours at:

- Planning Reception, Sandwell Council House, Freeth Street, Oldbury, West Midlands, B69 3DE.
- Great Bridge Library, Sheepwash Lane, Tipton, DY4 7JF

Any person with sufficient interest in the decision to adopt the Dudley Port Supplementary Planning Document may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be made promptly and in any event not later than 13 March 2018 (should be no later than 3 months after the date on which the supplementary planning document was adopted).
