Dear Occupier

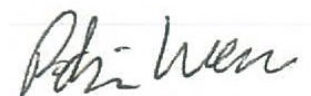

Lightwoods Hill Safety Scheme, Smethwick

Sandwell Metropolitan Borough Council proposes to introduce several safety and traffic calming measures on Lightwoods Hill in Smethwick. The road safety scheme will consist of traffic calming measures including kerb build outs, carriageway mini roundabouts, new footway surfacing, drainage, lining and signing along with a 20mph zone. These proposals will make it safer for all road users including motor vehicles, cyclists and pedestrians, especially school children. The proposals are shown on the attached plan. The proposed 20mph zone will include the following roads.

The entire lengths of	Beechwood Road Castle Croft Devon Road Monmouth Road Warley Croft Castle Road East – From its junction with Hazor Road to its junction with Lightwoods Hill. Harborne Road – From its junction with Hagley Road West to a point 82 metres north west of its junction with Castle Road East. Lightwoods Hill – From Barclay Road to its junction with Harborne Road
